URBAN  
EFFECTS

A soothing design for a spa retreat where natural materials are front and center. Oxfordshire door style in MDF Woodgate.

Total audio-video functionality complemented by natural stone and lifted off the floor with floating cabinetry. Urban door style in Maple Mystic Grey and aluminum.

A floating vanity turns the corner for an airy, spacious look. St. Charles door style in Maple Java.

Recessed into the wall, this china cabinet in Broadview Maple Amber takes only 6" of floor space.

The wet bar perfected. Gleaming mirrors, zinc and granite countertops, wine rack, lovingly encased in Maple Java in Yorkshire door style.
